# HANSEN ARCHITECTURAL SYSTEMS
## IS NOW PART OF THE CRL FAMILY OF BRANDS

Hansen has over 20 years of experience specializing in the design, fabrication, and installation of high-quality Aluminum Railing Systems. Their product offering includes Cable Railings, Glass Railings, and Sun Control Systems. Architects and contractors have been specifying Hansen Railing Systems for decades on hundreds of notable commercial and residential projects across the nation. CRL is a leader in the railing industry, and Hansen's strong brand reputation was a logical fit for our ARS Aluminum Railing and AWS Aluminum Windscreen product lines. We look forward to leveraging our strengths to bring our customers Hansen's high-quality products, and to benefiting from Hansen's expertise in the industry.
